Civil Action No. 07-0016

ORDER DENYING
PLAINTIFF'S COUNSEL'S
MOTION FOR
RECONSIDERATION

THE COURT has received plaintiff's counsel's motion for reconsideration of the order filed yesterday.

In the interests of conserving the resources of the court and the parties, the court will decide the motion without the necessity of a filing by defendants.

1 The motion is denied. The court's Local Rules have not provided for motions
2 to reconsider since 2003. Additionally, the court gave to each counsel at the case
3 management conference a copy of a proposed order, with dates already chosen.
4 Certain of the dates were changed at the conference and the court's final order
5 reflected the agreed-upon status conference date of December 10, 2007. It is
6 incumbent upon counsel to consult the order actually issued, and counsel's mere
7 inadvertence or error will not usually be sufficient to justify vacating an order of
8 sanctions.
